**Subject:** Lime tree workshops

To whom it may concern,

Regarding the application for 9a-11 Lime Tree Walk (Lime Tree Workshop), I would like to object to the building being granted an alcohol license, agreeing with what Mrs Tara Draper-Stumm has submitted.

Whilst i have no objections to there being alcohol on site for business meetings, i don't feel that there needs to be an alcohol license for after 6:00pm. I am concerned that this could become a path to allow for parties/other disturbing events to the local residents.

The residents in zone A, already have several business staff of Sevenoaks fraudulently using residents visitor permits to park with in zone , and an alcohol license could possibly bring in more traffic with either those parking, people dropping off/collecting, temporarily taking up possibly several parking bays at any one time.

I wish Lime Tree Workshop to be a success, but i do object to the alcohol license, mainly due to the hours it is seeking permission for.

Kind Regards,

Mr. Christopher Smith
