

Appendix J

Premises licence@31 Azela drive, Swanley

I refer to the above matter and support an additional set up of a convenience store.

Currently there is only one shop with monopoly and we as consumers find the prices are not competitive with a longer waiting time.

I have stopped visiting the shop. I visited the existing shop but they have only one person managing the store.

I have also noticed alcohol sales are not checked for age limit .

It will be good to have some competition in this area.

Please provide us with more choice.

Regards

Villy Vellayappan
