

APPENDIX G

In response to the public notice as above by Mrs Emma Welch, we would like to express our concern for having a license for a mobile bar to sell alcohol. This is a designated area of outstanding natural beauty and we do not feel it is appropriate to be selling alcohol especially when horses and young people are involved. We understood that the area was to be for equestrian events only without the commercial side of selling alcohol.

We therefore think this license is not appropriate.

Anthony and Sue Hook
