To Whom it may Concern

I live [REDACTED] in Sevenoaks, where my family and I have been for the past two and a half years. During our time in the flat we have had the pleasure of getting to know Chico and his staff in the restaurant and have watched him constantly improve the restaurant and expand its facilities. One of the attractions to customers is the music that is played in the restaurant, which sometimes goes on until the early hours. I have to say that this music has never bothered or affected me or my children [REDACTED]

The customers enjoy the food and the atmosphere of the restaurant, and it is heartening to see a dedicated businessman trying to provide such a high-quality service in the locality. Chico and his staff have gone out of their way to make sure that they are good neighbours, and often help us out with parcel deliveries when we are out. They are polite, attentive, and extremely considerate to our needs and although we do not have a problem with the clientele or the music, Chico always makes sure that we are happy with any changes he is making.

I am sad to think that anyone would try and thwart the improvement of this business, it is rare to find such charming, dedicated, considerate people and I feel Chico and his team should be encouraged as much as possible to continue to grow the restaurant. The music is never too loud for us and as [REDACTED] we are the most affected. We often have our windows open at night and still we are not adversely affected by the restaurant.

I hope this convinces you that there is no problem with the noise from the restaurant as far as we are concerned, and I hope all is done to encourage Ephesus as an integral part of Sevenoaks' social life and culinary excellence.

Best Wishes

[REDACTED]
