

## APPLICATIONS FOR DISABLED PERSONS (BLUE BADGE) PARKING BAYS

Sevenoaks Joint Transportation Board - 13 December 2022

**Report of:** Deputy Chief Executive and Chief Officer - Finance & Trading

**Status:** For Decision

**Key Decision:** No

**Executive Summary:** The consideration of any representations received during the informal consultation to proposed disabled persons (blue badge) parking bays within the District

**This report supports the Key Aim of:**

Caring Communities (by providing parking facilities for disabled people)

Sustainable Economy (by improving travel arrangements and reducing congestion)

**Portfolio Holder:** Cllr. Margot McArthur

**Contact Officer(s):** Jeremy Clark, Ext. 7323

Trevor Kennett, Ext, 7407

**Recommendation to Sevenoaks Joint Transportation Board:**

That the Board:

- a) Notes the applications for disabled persons parking bays in Chestnut Close, Edenbridge, Saxon Place, Horton Kirby and Wested Lane, Swanley, detailed in Appendix 1 of this report, which did not meet Kent County Council's assessment criteria and will proceed no further;
- b) Notes the applications for disabled persons parking bays in Porchester Close, Hartley and High Street (near Forge Close), Penshurst, detailed in Appendix 2 of this report, which met Kent County Council's assessment criteria, and have been the subject of an informal consultation with neighbours and local representatives;
- c) Considers the feedback from the informal consultation, together with Officers' comments/recommendations, detailed in Appendix 2 of this report;

- d) Notes that, since no representations were received to the proposed disabled persons parking bay in Porchester Close, Hartley during the informal consultation, an interim parking bay can be marked without the need for a decision from the Board; and
- e) Decides whether to aside the representation received to the proposed disabled persons parking bay in High Street (near Forge Close), Penshurst during the informal consultation, and agree to the introduction of an interim parking bay.

**Reason for recommendation:**

The disabled persons (blue badge) parking bay scheme is aimed at providing better management of the public highway, in line with current legislation and the Highway Code

## **Introduction**

1. Kent County Council (KCC) has the power to provide on-street parking places on roads within its area for which it is the traffic authority for the purpose of relieving or preventing congestion on the public highway.
2. This power is frequently exercised to establish disabled persons' (blue badge) parking bays (DPPBs) close to the homes of disabled persons who would otherwise have difficulty parking near to their homes.
3. An application process exists, through which a person can request that a DPPB is established close to their home.
4. The District Council administers local requests for DPPBs on behalf of KCC, and manages and funds their provision.
5. KCC has produced an application form and guidance notes for requests for DPPBs, which is available for applicants to download from the District Council's website.
6. KCC has also produced personal and locational assessment criteria for the District Council to use when considering applications.
7. If an application satisfies KCC's assessment criteria, neighbours who may be affected by the provision of a DPPB, as well as local representatives, are then informally consulted, and any feedback received is reported to the Joint Transportation Board, together with Officers' comments, for consideration.
8. If representations are received during the informal consultation, and these are upheld by the Board, the application will proceed no further.

9. In cases where there have been no representations or the representations received are overruled, a DPPB can be installed.
10. An interim DPPB is usually introduced in the first instance in residential areas on an “informal” basis, and without a traffic regulation order (TRO). This means that the DPPB can be marked on the road shortly after the application has been approved, but has no legal status and cannot be enforced.
11. A DPPB can be used by any vehicle displaying a current disabled persons’ blue badge, and is not for the sole use of any person or vehicle.
12. Where there is a known pressure on parking, or a DPPB is abused by non-blue badge holders after its introduction, a TRO would be made, thereby making it enforceable.
13. The purpose of this report is to advise the Board on the locations of the latest applications for DPPBs received from individuals that has been evaluated in accordance with the highway authority, Kent County Council’s (KCC’s) assessment criteria.

## **Background**

14. Appendix 1 to this report details the latest applications for DPPBs which did not meet KCC’s assessment criteria, and will proceed no further, for the reason(s) described therein. These applications relate to the following locations:
  - Chestnut Close, Edenbridge
  - Saxon Place, Horton Kirby; and
  - Wested Lane, Swanley
15. Appendix 2 to this report contains details of latest applications for DPPBs, which met KCC’s assessment criteria and have already been the subject of an informal consultations with neighbours and local representatives. These applications relate to the following locations:
  - Porchester Close, Hartley; and
  - High Street (near Forge Close), Penshurst
16. Details of the feedback received during the informal consultation, together with a location plan and Officers’ comments/recommendations, are also contained in Appendix 2.
17. The terms of reference for the Sevenoaks Joint Transportation Board allow it to provide advice to the Sevenoaks District and Kent County Councils, who will normally act in accordance with its views.
18. The purpose of this report is therefore for the Sevenoaks Joint Transportation Board to consider the feedback from the informal consultation, in particular the representation received to the proposed DPPB in High Street (near Forge

Close), Penshurst, together with Officers' comments/recommendations, which are given in Appendix 2.

### **Other options Considered and/or rejected**

The options are to set aside or to uphold the representation received.

### **Key Implications**

#### Financial

The costs incurred in administering local requests for disabled persons parking bays on behalf of Kent County Council and in managing their provision and ongoing maintenance are met by the District Council from its on-street parking account operated under the Agency Agreement with the County Council.

#### Legal Implications and Risk Assessment Statement

There is no legal requirement to undertake an informal consultation, and there are no legal implications to installing an interim disabled persons parking bay on the public highway.

However, a traffic regulation order (TRO) must be made under the Road Traffic Regulation Act 1984 and a sign installed before the parking bay can be enforced, and to do this, a formal (statutory) consultation procedure must be followed in accordance with The Local Authorities' Traffic Orders (Procedure) (England and Wales) Regulations 1996. Any formal objections received during this statutory consultation would be reported to a future meeting of the Sevenoaks Joint Transportation Board.

#### Equality Assessment

The recommendation of this report has a remote or low relevance to the substance of the Equality Act. There is no perceived impact on end users.

#### Net Zero Implications

The decisions recommended through this paper have a remote or low relevance to the council's ambition to be Net Zero by 2030. There is no perceived impact regarding either an increase or decrease in carbon emissions in the district, or supporting the resilience of the natural environment

## **Appendices**

Appendix 1 - For Information - Applications for disabled persons parking bays which did not meet Kent County Council's assessment criteria

Appendix 2 - For Advice - Applications for disabled persons parking bays which met Kent County Council's assessment criteria, including redacted details of the feedback received during the informal consultation with neighbours and local representatives, location plans and Officers' comments/recommendations
