Purpose of scheme

Our Community Grant scheme exists to help voluntary organisations and groups which provide projects, services or activities that benefit people living, working or volunteering in the Sevenoaks District, focusing on those in greatest need.

In particular, we want to support projects, services or activities that are delivered with the help of volunteers and that support the priorities of “Our Communities” within the Sevenoaks District Community Plan.

What are the scheme’s priorities?

- Address and reduce anti-social behaviour within the community, focusing particularly on the most vulnerable.
- Projects, services and activities that encourage participation and empower young people in local community.
- Promote, support and improve access to volunteering opportunities as part of a project, service or activity.
- Encourage participation and improve opportunities for excluded or vulnerable groups.
- Improve the wellbeing of residents.
- Projects, services and activities that support and empower carers.
- Help address and deliver digital inclusion.
- Support communities to live happily together and provide information, advice, advocacy or counselling to those in need.
- Projects, services and activities that work in partnership to achieve the priorities listed above.

Who can apply?

You can apply if you deliver services to those that live, work or volunteer in the Sevenoaks District.

Applications for grants over £1,000 must provide services or benefit residents in **two or more parishes** and applicants must be one of the following:

- “Not for profit” registered charity
- Youth organisation
- Voluntary organisation
- Community Interest Company.

Applications for grants £1,000 or under must provide services or benefit residents in **at least one parish** and applicants must be either one of the organisations listed above or a community group with a constitution or set of rules.

How much and what can I apply for?

The minimum you can apply for is **£100**.

You can apply either for a grant of up to and including £1,000 OR up to and including £5,000. There are two different application forms. Please make sure you use the correct one.

The grant can be spent on project, service or activity costs such as support for volunteers, equipment or premises hire. In addition, you can apply for core running costs that are commensurate with the project, service or activity applied for.

When can I apply?

There is one round of grant funding each financial year. This round is for projects, services and activities that will be completed between 1 April 2023 and 31 March 2024.

The deadline for applications is midday Thursday 3 November 2022

You will be advised of the outcome of your application by the end of March 2023.

Please bear these timescales in mind when requesting funding for your activity.

Explanations and tips for completing the online application form

Can more than one person work on the application form?

Yes, the link to your application form can be shared with others in your organisation or group so that you can each complete different sections. However, please note that you cannot have more than one person working on the application form at the same time.

Do I have to complete the form in one go or can I save it and come back to it later?

You can save your application at any time, close it down and come back to it later by clicking the save button. When you want to carry on please follow the link supplied in the email.

What is the Save button for?

We recommend that you save your application at the end of each section. This will ensure you do not lose any data if your computer crashes for any reason. It should also

be used if you want to close the application and come back to it later. Clicking the save button will take you back to the top of the form so just open the section you need and carry on inputting your answers.

What is the Check / Validate Application button for?

Once you have answered all of the questions and are ready to submit your application you should click “Check / Validate Application”. We strongly recommend that you save your application prior to doing this to ensure your data is stored should your device encounter any issues such as loose internet signal or crash whilst the submission is taking place. This will check that you have ticked to acknowledge the statements in section 6. Once this has happened you will be able to click “Submit Application”.

What is the Submit Application button for?

Once you have answered all of the questions and have clicked “Check / Validate Application” you will be ready to submit your application. To do this you should click “Submit Application”.

Please note that once the application has been submitted you will no longer be able to access it or make any amendments.

Section 2: Safeguarding

If you are a newly formed organisation or group and do not yet have in place a Safeguarding Policy please tick “no”. Please then email grants@sevenoaks.gov.uk and state who your Safeguarding Lead is/will be; how your process works/will work; and what training has been completed/is outstanding to be undertaken. Also state what assistance you might need from the Council to implement the necessary Safeguarding Policy or Policies. The Council can offer a range of advice and support to new and existing groups in the development of their policies, however, please note that it is likely that any grants offered will be conditional upon a safeguarding policy being developed.

Section 4: Number of Volunteers (Q4.2) & Volunteer Hours (Q4.3)

Please state the number of volunteers and the total number of volunteer hours that will be used to deliver your project, service or activity through the funding you are requesting in this application only. Please note that this differs to the volunteer information captured in question 2.2 which is regarding your organisation as a whole rather than the specific project or activity for which you are applying for funding.

Section 4: Performance indicators

Applicants are required to provide outcomes of the grant, which will form the basis of their performance monitoring.

These performance indicators will be used to assess the application and should therefore reflect how the application will meet the scheme’s priorities.

To assist applicants in this task we have provided some ideas for performance indicators from which you can pick, however, please feel free to add your own more personalised indicators.

- Number of beneficiaries confirming improved feeling of safety
- Number of people receiving mediation to assist in resolving neighbourhood disputes
- Number of volunteers receiving training (*remember to include details/name of the training being received and if it is a one off or part of a course*)
- Number of beneficiaries reporting improved health and wellbeing (*remember to specify if this is as a result of a single activity or a series of activities / course*)
- Number of beneficiaries no longer feeling isolated and lonely **or** number of beneficiaries reporting improved confidence (*remember to specify if this is as a result of a single activity or a series of activities / course*)
- Number of beneficiaries signposted to valuable information and/or resources
- Number of people attending an event (*remember to include the name of the event*)
- Number of excluded or vulnerable people participating in an activity (*remember to identify specifically which excluded or vulnerable people will benefit and provide details of the activity*)
- Number of people attending a series of events or a course (*remember to include the name of the event / course*)
- Number of young carers receiving respite and mentoring support
- Number of carers receiving training
- Number of young people empowered to lead a project
- Number of young people receiving training as a volunteer that will assist them seeking future paid employment
- Number of additional beneficiaries (such as family members) with improved health and wellbeing following a parent receiving mediation.

Remember to capture in your chosen performance indicators any additional/indirect beneficiaries from your project for example:

- An application for delivering a mediation service will benefit not only those individuals attending the mediation but may also have a positive impact to other relatives such as children or other dependents
- An application for a project offering training to carers will benefit not only those attending the course but also the person / people that the trainee cares for.

Section 4: Measuring performance indicators

Please note that the indicators you choose should be SMART (Specific, Measurable, Achievable, Relevant and Time-bound). Examples of how to measure Key Performance Indicators include (but is not limited to): ask questions before and after; use a survey; and produce a case study including quotations from beneficiaries.

Section 4: Impact on beneficiaries due to a reduced grant

Sometimes the Council is unable to award the full funding that applicants have requested. In this section please provide the number of beneficiaries of your project should you not receive the full grant and let us know how you would adapt your project to achieve this.

Section 7: Equality Policy – newly formed organisations and groups

Please note that for newly formed organisations and groups the Council can provide assistance with the implementation of a suitable Equality Policy.
