Introduction and Background

1. The Council's Community Grant Scheme supports local charities and voluntary sector organisations that, through their work, contribute to the priorities set out in the Community Plan 2022-32.
2. The Council's Corporate Code of Practice for making grants was reviewed in 2022 and a revised Code of Practice was agreed at Cabinet on 7 July 2022. This is attached at Appendix A.

3. The grant guidelines were reviewed in 2022 and revised guidelines were agreed by Cabinet on 7 July 2022. These guideline documents can be found at Appendix B.
4. In 2022/23, the grants awarded through the Community Grant Scheme enabled voluntary organisations to support 35,937 volunteer hours in the Sevenoaks District, which represented an economic benefit of £633k.

Details of the Community Grant Scheme for 2023/24

5. The grant scheme was publicised widely across the District within the voluntary sector, through the virtual Voluntary Sector Forum, Town and Parish Councils, In Shape Magazine, Social Media and local press in September 2022. Appraisal Process

8. Members will appreciate that the recommended grants in Appendix C have been put forward following an appraisal by Officers trained in grant appraisal and a detailed consultation with the Portfolio Holder for People & Places, Cllr Dyball and the Deputy Portfolio Holder for People & Places, Cllr Collins. Recommendations have been made in accordance with the Scheme Guidelines and the Council's Corporate Code of Practice for grants and take into account various factors, including:
 - the extent to which the application supports the District Council's Community Plan priorities;
 - the extent to which the application assists residents across the District and its impact;
 - the extent to which the application should be funded by other organisations;
 - whether performance indicators are relevant and appropriate;

- whether the applicant meets the eligibility criteria established in the Guidelines and the Corporate Code of Practice for grants;
- whether the applicant has appropriate child protection and safeguarding arrangements in place.
- Cross-departmental checks and information shares about grants and funding being awarded to community and voluntary organisations and any issues arising.

Recommended Level of Grant

9. A full list of grants recommended to voluntary organisations is attached at Appendix C.
10. Unsuccessful applicants will be informed of the reason for this decision, and encouraged to contact the District Council's Funding Officers and visit KCC's online free, comprehensive grant search database for advice and support in seeking funding elsewhere if appropriate.

Recommended Conditions

11. It is recommended that grants be made to voluntary organisations subject to the following conditions:
 - That performance indicators as set out in the application forms are adhered to and monitored;
 - That appropriate Safeguarding policies and arrangements are in place, where necessary;
 - That appropriate recognition of this Council's funding contribution is made in all their publicity; and
 - Where services are provided over a wider area than the District boundaries, organisations will be required to hold grant aid from this Council in a restricted fund for the benefit of Sevenoaks District residents;

There are no legal issues relating to this report. All organisations applying for funding are required to have an equalities policy (or have signed to say they will adhere to the District Council's policy) and where appropriate child protection and/or adult protection policies.

The following table shows the risks and their mitigation.

| As a condition of the grant any organisation allocating onward funding on behalf of the Council to another organisation must check whether appropriate police checks and child or vulnerable adult protection policies are in place. | Condition of grant to ensure checks carried out and that application forms seek confirmation. Monitoring process to confirm an effective process is in place. |
| Grant allocations not approved in March. | A timetable is in place to ensure grants are considered by Cabinet in March and processes in place to ensure grant payments are made in the first week of the financial year. |
