

APPENDIX 1 - FOR INFORMATION

Applications for disabled persons parking bays which met Kent County Council's personal assessment criteria, but were declined for the reasons stated

REQUESTED LOCATION	REASON(S) DECLINED
--------------------	--------------------

HALSTEAD

Meadway, near nos. 39-44

This application met KCC's personal assessment criteria, but was declined because the parking area nearest the applicant's home, in which the disabled persons parking bay, would be sited is not part of the public highway
However, the parking area is privately owned and managed by West Kent Housing Association, and hence, with the agreement of the applicant, the application has now been referred to the Housing Association for consideration.

SWANLEY

Conifer Way, near nos. 30-40

This application met KCC's personal assessment criteria, but was declined because the parking area nearest the applicant's home, in which the disabled persons parking bay would be sited, is not part of the public highway.
However, the parking area is privately owned and managed by Sevenoaks District Council, and hence, with the agreement of the applicant, the application was referred to the District Council's property team for consideration.
An advisory disabled persons parking bay has since been marked by the District Council in the parking area.
