

Dear Licensing Team,

I hope this finds you well.

I wanted to confirm that 153 High Street is trading, selling alcohol and causing significant upset to local residents.

I am attaching 6 short videos from the evening of 3.3.23, starting at around 6:30pm and lasting until after 10pm. I am also attaching a photo of the receipt of purchase of alcohol and bottle of alcohol itself.

I think these videos confirm everything that local residents and the council have feared - loud, drunk and disorderly behaviour from minors and cars parked on the double yellow line.

I would appreciate if these videos could please be reviewed prior or during the License Hearing on 7th March 2023 - could you please confirm if this is possible?

Many thanks.

Kind regards

Alex Jaye
