

## APPENDIX 1 - FOR INFORMATION

Applications for disabled persons parking bays which met Kent County Council's personal assessment criteria, but were declined for the reasons stated

REQUESTED LOCATION	REASON(S) DECLINED
<b>OTFORD</b>	
Dane Road, north side, fronting nos. 19-22	KCC's assessment criteria requires that the minimum width of the carriageway in which the parking bay would be sited is 5.5m, which is not the case.
<b>SEVENOAKS</b>	
Mill Lane, north side, in parking area between nos. 33-47 and 49	This application met KCC's personal assessment criteria, but was declined because the parking area nearest the applicant's home, in which the applicant requested the disabled persons parking bay be sited, is not part of the public highway. However, the parking area is privately owned and managed by Sevenoaks District Council, and hence, with the agreement of the applicant, the application was referred to the District Council's property team for consideration. An advisory disabled persons parking bay has since been marked by the District Council in the parking area.
