Summary: This report updates Members of the Board on Sevenoaks Townwide 20mph proposals.

1 Introduction

1.1 Following the 15 March 2023 Joint Transportation Board meeting, the committee recommended to KCC that the scheme proceed to an informal consultation of the revised 20mph speed limit area in Sevenoaks Town and pedestrian crossing on the A225 with due consideration to Sevenoak's emerging Local Cycling & Walking Infrastructure Plan (LCWIP).

2 Progress update

- 2.1 A further meeting between the JTB Chair, KCC Member for Sevenoaks Town and KCC Officers took place to discuss how best to progress the consultation with Officers asked to progress the proposals at the earliest opportunity.
- 2.2 KCC resources in both the Active Travel Group and the corporate consultations team are presently focused on an existing heavy workload and are not likely to be able to commit to a consultation until September or October 2023 at the earliest.
- 2.3 The consultation will be on the revised extents agreed at the March JTB and include the proposals for a pedestrian crossing on London Road.
- 2.4 The Dartford Road one-way proposals around The Vine have been removed and are no longer a proposal.
