

**Sevenoaks District Health and Wellbeing Action Plan 2023-24 Quarter 2 update
Committee - Housing & Health Advisory Committee - 23 January 2024**

Report of: Chief Officer People & Places

Status: For Information

Key Decision: No

Executive Summary: Providing an update on the Sevenoaks District Health and Wellbeing Action Plan 2023-24, Quarter 2 update for the Housing & Health advisory committee.

These report supports the Key Aim of: Council Plan and Community Plan

Portfolio Holder: Cllr. Perry Cole

Contact Officer(s): Kelly Webb, Ext. 7474 & Jolanda Gjoni, Ext. 7121

Recommendation to Housing & Health Advisory Committee

To note the report.

Reason for recommendation:

For information only.

1. In May 2021 we were asked by the Portfolio Holder to put a Health Action Plan in place and reinstate the HAT but to include Wellbeing, we had an initial meeting with partner organisations and developed the action plan. Due to us being approximately 2 months behind of the start date (April 2021) it was agreed that partners would work on this one through the meetings rather than wait for the following year as we had missed the Cabinet process.
2. Since that time, we have now developed a yearly action plan in collaboration with local partners. In December 2022 we held a workshop with partners to develop a new action plan against 4 priorities.
3. This plan has double the actions of the current one and has a lot of focus on mental health and issues around cost of living and health.
4. The plan is monitored on a quarterly basis by the Partnership, this report will update on action progress for Quarter 2 period (July-September 2023).

Other options Considered and/or rejected.

None

Key Implications

Financial

No financial implications have been highlighted.

Legal Implications and Risk Assessment Statement.

There are no legal implications associated with this report.

Equality Assessment

The decisions recommended through this paper have a remote or low relevance to the substance of the Equality Act. There is no perceived impact on end users.

Net Zero Implications

The decisions recommended through this paper have a remote or low relevance to the council's ambition to be Net Zero by 2030. There is no perceived impact regarding either an increase or decrease in carbon emissions in the district, or supporting the resilience of the natural environment]

Also insert any other "Key Implications" headings as appropriate such as:

- **Community Impact and Outcomes**
This report links in with the community and any impacts.
- **Wellbeing**
