

Cleaner & Greener Advisory Committee

Members Working Group – Domestic Waste & Recycling

Draft Terms of Reference

1. Aims of the working group

- To consider how we communicate and market the changes around our recyclable collection service to residents.
- To consider ways in which we can encourage/educate residents to reduce black sack residual waste, recycle more and / or dispose of less waste.
- To consider how to gauge resident feedback on our current waste collection service and other collection methods.
- Specifically, the Working Group will make recommendations which focus on resident feedback, customer communication and behavioural change ideas to C&GAC for the 17 September meeting.

2. Chair

Proposed, Cllr Kim Bailey, Deputy Portfolio Holder, Cleaner & Greener

3. Membership

A small group of Members gaining a wider understanding of all of the issues. - To be determined,

4. Officer Support

Trevor Kennett, Head of Direct Services

Frequency: To be determined

Secretariat: Democratic Services
