Dear Leeann

on behalf of the Partners of Town Medical Centre I am writing to confirm that this practice would like to be considered as Sevenoaks District Council's appointed medical practice.

In consideration of this the practice undertakes:-

- To carry out a medical examination to Group II levels on licence applicants and other requested examinations by Sevenoaks DC on licence holders as advised by the Drivers Medical Group which are necessary to achieve the medical standard thought to be appropriate for Hackney Carriage or Private Hire Vehicle drivers.
- That a medical questionnaire provided by Sevenoaks DC and drawn up in consultation with this practice will be completed by applicants for licences prior to any medical examination and brought with them to the examination.
- That the results of the examination will be sent to Sevenoaks DC urgently in pre-paid envelopes by a 'notification' drawn up in consultation with this practice.
- To charge the following fees for this service:-

Medical Examination £55
Medical Review £40
Annual Retainer £1500

Thank you for your consideration and I look forward to hearing from you

Yours sincerely

Keith Salter
