

**FORMAL RESPONSE OR CONSULTATION REQUESTS FROM THE CABINET AND/OR  
SELECT COMMITTEES FOLLOWING MATTERS REFERRED BY THE COMMITTEE**

- d) Performance Monitoring (LPI CD 007 number of domestic burglaries per 1,000 households) (Response from Social Affairs Select Committee, Minute 13 30.10.12)

Member's considered a referral from the Performance and Governance Committee meeting held on 18 September 2012, requesting the Committee to consider whether there was a better alternative performance indicator other than the number of domestic burglaries per 1,000 households (LPI CD 007). The Head of Community Development advised that a possible alternative would be measuring the targets achieved against the Community Safety Action Plan.

Resolved: That the Performance and Governance Committee be advised that a preferred indicator may be measuring the targets achieved on the Community Safety Action Plan which the Council and partners had more influence over.
